**§ 1.172-7 Joint return by husband and wife.**

(a) *In general.* This section prescribes additional rules for computing the net operating loss carrybacks and carryovers of a husband and wife making a joint return for one or more of the taxable years involved in the computation of the net operating loss deduction.

(b) *From separate to joint return.* If a husband and wife, making a joint return for any taxable year, did not make a joint return for any of the taxable years involved in the computation of a net operating loss carryover or a net operating loss carryback to the taxable year for which the joint return is made, such separate net operating loss carryover or separate net operating loss carryback is a joint net operating loss carryover or joint net operating loss carryback to such taxable year.

(c) *Continuous use of joint return.* If a husband and wife making a joint return for a taxable year made a joint return for each of the taxable years involved in the computation of a net operating loss carryover or net operating loss carryback to such taxable year, the joint net operating loss carryover or joint net operating loss carryback to such taxable year is computed in the

same manner as the net operating loss carryover or net operating loss carryback of an individual under § 1.172-4 but upon the basis of the joint net operating losses and the combined taxable income of both spouses.

(d) *From joint to separate return.* If a husband and wife making separate returns for a taxable year made a joint return for any, or all, of the taxable years involved in the computation of a net operating loss carryover or net operating loss carryback to such taxable year, the separate net operating loss carryover or separate net operating loss carryback of each spouse to the taxable year is computed in the manner set forth in § 1.172-4 but with the following modifications:

(1) *Net operating loss.* The net operating loss of each spouse for a taxable year for which a joint return was made shall be deemed to be that portion of the joint net operating loss (computed in accordance with paragraph (d) of § 1.172-3) which is attributable to the gross income and deductions of such spouse, gross income and deductions being taken into account to the same extent that they are taken into account in computing the joint net operating loss.

(2) *Taxable income to be subtracted—(i) Net operating loss of other spouse.* The
